

COPA Flight 81

Regular Monthly Meeting: May 28, 2007

Call to Order: 19:40

Roll Call: Sign in book.

March Minutes Circulated: (April 30 meeting was a field trip to the Calgary Control Center Tower)

Captain's Report

- Bill Zurawell introduced the members of the OFC executive:
 - Directors; Mark Ballard, Amanda Reitenbach, David Veale and Roger Sexty
 - First Officer; Corey Wirun
 - Navigator; Jim Bleaney
- Bill gave a brief overview of the club agenda with long and short term goals.

Officers:

- Mark Ballard spoke of the OFC "Fly-in" and circulated a sign up sheet for volunteers.
- Corey Wirun reports the pictures from the YYC tower tour last month are on the web, he also let us know he is replacing his server which will enhance the OFC web site.
- J. Bleaney reminded all there were fly-in breakfasts at Revelstoke BC and Lacombe AB on Sunday June 3rd.

Unfinished Business:

- Roger Sexty with Ken's assistance will get a quote for 2 banners with our wing design. This banner is to have a white back ground and "COPA Flight 81" centered under the Wing. (Motion made Mar. 06) **Closed**

Corey is close to finalizing this banner order.

- Banner to be displayed **Closed**

Good of the Club

- Ron Huizenga made an excellent presentation on his recent panel upgrade detailing the research and reasons for purchasing the equipment that he did. Ron then showed a DVD on the Garmin 480 he purchased.

- Ed Krott will make a video presentation on some of the Boeing aircraft he has flown at our June 25th meeting
- North West Biplane Fly-in at Spokane on July 21 & 22
<http://www.nwbiplane.com/>
- Arlington WA; July 11 – 15 EAA Fly-in
<http://www.nweaa.org/>

Question of the month - With temperatures generally above freezing this time of year (depending upon altitude) and you are flying a non-fuel injected aircraft what tends to be overlooked on descents which could have very dangerous results and why? I look forward to your answers. Answer: Carb Ice

Adjourned: 21:15
J. Bleaney
