

COPA Flight 81

Regular Monthly Meeting: Oct. 29, 2007

Call to Order: 19:30

Roll Call: Sign in book. 19 Members in attendance

Agenda:

- Richard Rowland
 - Described his private airfield (listed in the new CFS) “Okotoks Rowland Field”
 - Good discussion regarding proper circuit procedures including entry and exit procedures at the Okotoks aerodrome.
- Phillip Moore displayed his new Diamond 40
 - Phillip told the group about his recent trip to London Ontario and tour of the Diamond factory. He talked about his decision to purchase a Diamond aircraft.
 - He described the Garmin 1000 panel, and then invited the members to view the aircraft. The plane was plugged into an external power supply so that everyone could view the panel and play with the glass panel.

Captain's Report

- Discussed a day trip to Wetaskiwin, date to be decided. (possibly Nov. 17 or 18th)
- A member has a lead on an ARCAL system, this would be a great improvement to the current timer that controls the runway lights, the windsock light is still U/S
- December meeting – Christmas Social dinner (Monday Dec.10)
 - Approximately 15 members expressed an interest in attending a dinner (spouses welcome) Firm head count will be required.
 - A venue and cost will be decided prior to the November 26th meeting.
- A member reports the Air Ranch General partner is considering landing fees.
- Corey explained there is a master mailing list attached to the OFC web site and encourage all in attendance to sign up for it. <http://ofc.homelinux.org/>

Good of the Club

- Tour of Geodesy lab is planned for November

Adjourned: 21:30
